Alusso Series

Quick & On Time

We believe that quality is what sets us apart from our competitors. We have been in the business of providing the best kitchen cabinets for years now.

Limited Lifetime Warranty

Adornus, LLC ("Adornus") extends the following lifetime limited warranty ("Limited Warranty") to the first residential purchaser ("Residential Purchaser") of any cabinet sold by Adornus (each, a "Product"). This Limited Warranty is only applicable to Products sold to the first Residential Purchaser and used in the applications described below within the United States. Residential Purchaser may not assign or transfer this Limited Warranty. Under this Limited Warranty, a "Residential Purchaser" means any of the following:

- A person who purchases and installs the Product in a dwelling that is owned and used by that person as his/her primary or secondary home; or
- Any person or business such as a builder, contractor or developer that purchases and installs the Product in a newly constructed or remodeled dwelling that will be used by the initial owner/purchaser of that dwelling as a primary or secondary home. In such situation, this Limited Warranty may be assigned to the initial owner/purchaser who uses the dwelling as a primary or secondary home, but may not be transferred or assigned to subsequent owners of the dwelling.

Under this Limited Warranty, a primary or secondary home does not include rental property. This Limited Warranty does not apply to landlords, leasing companies, or other commercial purchasers. Subject to the exclusions and limitations set forth in this Limited Warranty, Adornus warrants to Residential Purchaser that each Product will be free from defects in material and workmanship, under normal use and maintenance, for the applicable warranty period stated below. This Limited Warranty gives Residential Purchaser specific legal rights, and Residential Purchaser may have other rights which vary from State to State. This Limited Warranty for Residential Purchasers begins on the date the Product was purchased, whether purchased by the Residential Purchaser or by a third party on Residential Purchaser's behalf. This Limited Warranty is only valid if Residential Purchaser uses the dwelling as his/her primary or secondary home and does not extend to future owners if the property is sold.

THIS LIMITED WARRANTY IS ADORNUS' SOLE AND EXCLUSIVE WARRANTY WITH RESPECT TO THE PRODUCTS. ALL IMPLIED WARRANTIES ARE STRICTLY LIMITED TO THE DURATION OF THE LIMITED WARRANTY APPLICABLE TO THE PRODUCT AS STATED HEREIN, INCLUDING BUT NOT LIMITED TO, ANY WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT SHALL ADORNUS BE LIABLE TO THE RESIDENTIAL PURCHASER OR ANY THIRD PARTY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, DAMAGES ARISING FROM PERSONAL INJURY, LOST PROFITS, LOSS OF BUSINESS OPPORTUNITY, LOSS OF PROPERTY, ECONOMIC LOSSES, OR STATUTORY OR EXEMPLARY DAMAGES, WHETHER FROM NEGLIGENCE, WARRANTY, STRICT LIABILITY OR OTHERWISE.

Limited Lifetime Warranty

Exclusions

This Limited Warranty does not apply to any Product:

- Installed or used outdoors;
- Used for purposes for which it is not designed or intended by Adornus;
- That has been subjected to misuse, vandalism, abuse, negligence, accident, or unauthorized modifications;
- That has been improperly stored (if the Product must be stored, it should be covered and stored in a humidity and temperature-controlled environment, away from direct sunlight);
- That has been improperly installed, cleaned, or maintained (for more information regarding the proper use and care of the Product;
- That has been subjected to improper temperature, moisture and/or humidity extremes (temperature outside the range of 50-85°f (10-29°c) and humidity outside the range of 30-55% are considered extreme);
- Damaged by fire, flood, acts of God, or other external causes beyond adornus’ control;
- Varying in color and characteristics due to age, sunlight, smoke, or other environmental conditions;
- Exhibiting any effects on the color and/or integrity of the finish or appearance due to the use of abrasive cleaners, cleaners that contain chlorine, acidic cleaners, scuffing sponges or steel wool; and/or
- Exhibiting normal wear and tear.

In addition, natural woods may vary in color and characteristics and exhibit subtle changes as they age. For example, painted doors, drawer fronts, and face frames may eventually have visible cracking around the joint area, and cabinet colors may darken or lighten over time. These variations are the material in relation to their environmental exposure and are not covered under this Limited Warranty.

Sole and Exclusive Remedy

In the event of a defect in the workmanship or materials of a Product occurring during the Limited Warranty period described above, Adornus will, at its sole option, repair or replace any defective Product or Product component; provided, if it is not commercially feasible to repair or replace a defective Product or Product component, Adornus may refund the original price paid by Residential Purchaser for the defective Product or Product component, or provide a credit towards a similar type of product sold by Adornus. The foregoing, at Adornus’ option, are the Residential Purchaser’s sole and exclusive remedies for any Product defect or non-conformity.

Limited Lifetime Warranty

In addition, by way of example but not limitation, the following costs and expenses are not covered by this Limited Warranty: (1) labor costs for the original installation, removal, or reinstallation of the Product, or any defective part thereof; (2) labor costs or material charges for the removal, reinstallation, repainting, refinishing or replacement of any other items or building materials which must be removed, replaced, reinstalled, or refinished in order to repair or replace the defective Product or component. For example, costs associated with the following will not be reimbursed: counters, sinks, tiles, flooring, accessories, appliances or plumbing fixtures. When a claim for warpage, joint separation or wood growth is submitted, Adornus may, at its sole option and after inspection, defer action for up to twelve (12) months to allow the Product to acclimate to the installed environment. Further, Adornus reserves the right to modify or alter any Product design, specifications or materials without obligation to make similar changes to Products previously sold by Adornus. The repair or replacement remedies offered by Adornus under this Limited Warranty are contingent on the current Product offerings of styles and construction options within Adornus’ Product line at the time a warranty claim is made by Residential Purchaser. If a valid warranty claim is filed for an obsolete Product, Adornus reserves the right, at its sole option, to honor its repair or replacement obligations under this Limited Warranty by either: (1) replacing the affected Product or component with a new Product or component of the same or approximate style or color from Adornus’ current Product line or offerings; or (2) replacing the affected Product or component to achieve a uniform appearance with a similar or comparable product style or approximate color of the originally purchased Product style. If a Product or components are replaced or repaired, Adornus cannot guarantee an exact match with the finish or appearance of other products or fixtures installed at Residential Purchaser’s dwelling. This is due to changes that may occur during the Products’ natural aging process, which may affect its color and/or grain.

Limitation of Liability

Except as otherwise required by applicable law, the remedies described above are the Residential Purchaser’s sole and exclusive remedies and Adornus’ entire liability for any breach of this Limited Warranty. Adornus’ total liability shall under no circumstances exceed the actual amount paid by Residential Purchaser for the defective Product.

All potential claims hereunder must be submitted to Adornus, in writing, at the address below and must specify the defects present in the Products and/or Product components.

Policies & Procedures

Dealer Responsibilities

Dealer acknowledges and agrees that it is solely responsible for communicating all policies, product information, order details, installation instructions, delivery expectations, and claim procedures to its customers.

The company shall not communicate directly with the Dealer’s customers. The company shall not be liable for any inaccurate, incomplete, or misleading information provided by the Dealer or its representatives.

Order Placement

Orders may be submitted by dealer using the company’s online portal, approved order forms, 2020 Design or ProKitchen SKU lists, or email through a designated customer service representative.

Orders submitted by telephone will not be accepted.

Dealer shall review and confirm all orders for accuracy, including but not limited to:

- Cabinet sizes and configurations
- Color, style, and material selections
- Modifications and custom notes
- Quantities
- Finished ends and hinge directions
- Shipping method

Once an order has been confirmed and approved by Dealer, Dealer assumes full responsibility for the accuracy and completeness of the order.

Changes, Cancellations, and Restocking Fees

Semi-custom, assembled, and modified orders shall not be changed, canceled, or returned after submission to production.

Stock (RTA) orders may be changed prior to release to the warehouse for fulfillment.

Orders that have been shipped or palletized shall incur a twenty-five percent (25%) restocking fee and the Dealer shall be responsible for return freight costs, if applicable.

Non-returnable items include:

- Semi-custom (made to order) cabinets
- RTA cabinets assembled by the Dealer or end customer
- Modified cabinets
- Special-order or custom-size cabinets
- Assembled cabinets

Policies & Procedures

Delivery and Pick Up

Dealer may select from the following delivery options:

- (a) Pick up at an Adornus warehouse;
- (b) Company truck curbside delivery;
- (c) White-glove delivery for an additional fee;
- (d) Common carrier scheduled curbside delivery by company;
- (e) Common carrier scheduled by dealer.

Rescheduled deliveries may incur a rescheduling fee.

Inspection and Claims

Dealer or its designated representative shall inspect all shipments immediately upon receipt.

Dealer shall verify and sign for both piece count and pallet count.

Claims for unconcealed damages or shortages must be noted on the Bill of Lading at the time of delivery and reported to Adornus immediately. Claims without proper documentation may be rejected.

Claims for concealed damage must be reported within 7 business days of delivery via email to customerservice@adornus.com, including photos, order number, item numbers, and detailed description.

Claims for concealed damages must be reported prior to installation via email to customerservice@adornus.com, including photos, order number, item numbers, and detailed description.

Product Warranty

Please refer to the Adornus official product warranty policy form.

Dealer Conduct and Compliance

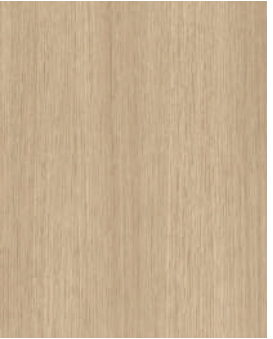

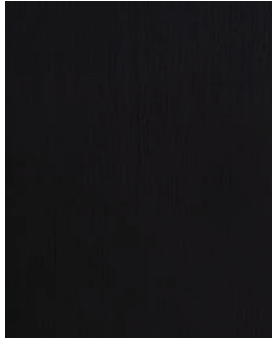

Dealer agrees to:

- Provide accurate information to customers
- Maintain all account terms in good standing
- Represent Adornus products professionally
- Adhere to all policies and procedures outlined in this agreement

Non-compliance may result in suspension or termination of Dealer privileges.

Non Sequenced Method (Standard)

The production of doors is done randomly, that means, they will be fabricated without order and each one will display its own characteristics (graining, shadow, etc.). This method is the standard method of production in the industry.

Sequenced Method (offered at additional cost)

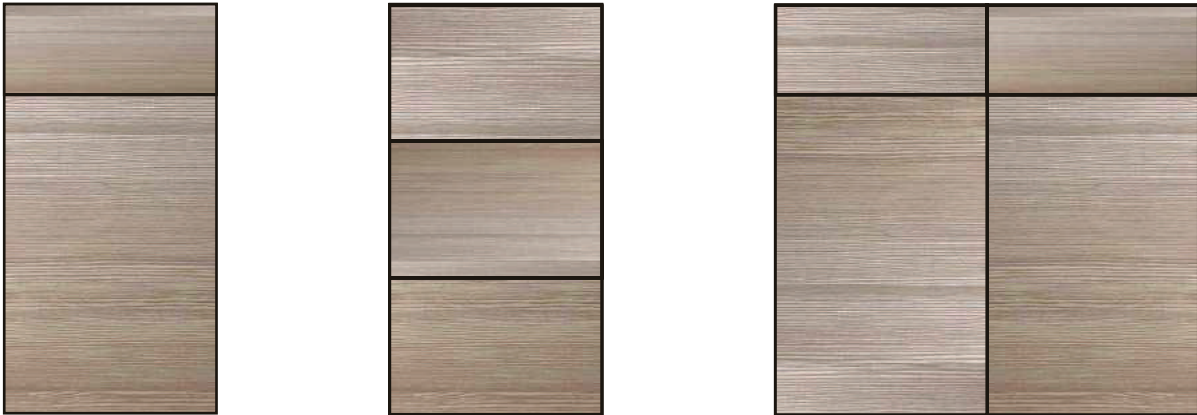

Production of doors takes into account the position of doors and drawer fronts.

Horizontal Grain Direction

Non Sequenced Method (Standard)

The production of doors is done randomly, that means, they will be fabricated without order and each one will display its own characteristics (graining, shadow, etc.). This method is the standard method of production in the industry.

Sequenced Method (offered at additional cost)

Production of doors takes into account the position of doors and drawer fronts. Sequence limited to 9' (panel size). Surcharge may apply for horizontal sequencing. Kitchen layouts required for production.

ALUSSO SERIES

Sleek, Stylish and Functional

The Alusso Series is the ideal solution for contemporary kitchen design. This sleek, full access cabinetry system features a refined modern aesthetic paired with an expansive color palette curated to reflect today's leading design trends. Engineered for both style and performance, the Alusso Series delivers high quality modern cabinetry that consistently exceeds expectations.

Build Information

Cabinet Construction

The Alusso Series focuses on delivering the essential features that fit most projects. Whether you’re outfitting a kitchen, closet, laundry room, or office, this line provides stylish cabinets with minimal wait time.

For a truly seamless and streamlined design, the frameless box is the best choice. This design focuses on a clean, uninterrupted aesthetic with no visible borders, offering a sleek and spacious feel. The frameless structure maximizes interior access, making it ideal for modern settings and spaces.

Cabinet Box

- ¾ White linen melamine finish plywood box.

Construction

- ¾" White linen melamine finish plywood sides, shelves, tops and bottom. 3/8" White linen melamine finished Plywood backs.

Stretchers, Nailers, and Toe Kick

- ¾" White linen finish plywood.

Doors/Drawer Fronts

- Doors & fronts available from our Alusso European Line.

Drawer

- Slim, double wall, straight sided metal drawer system.

Shelves

- ¾ White linen melamine plywood box.

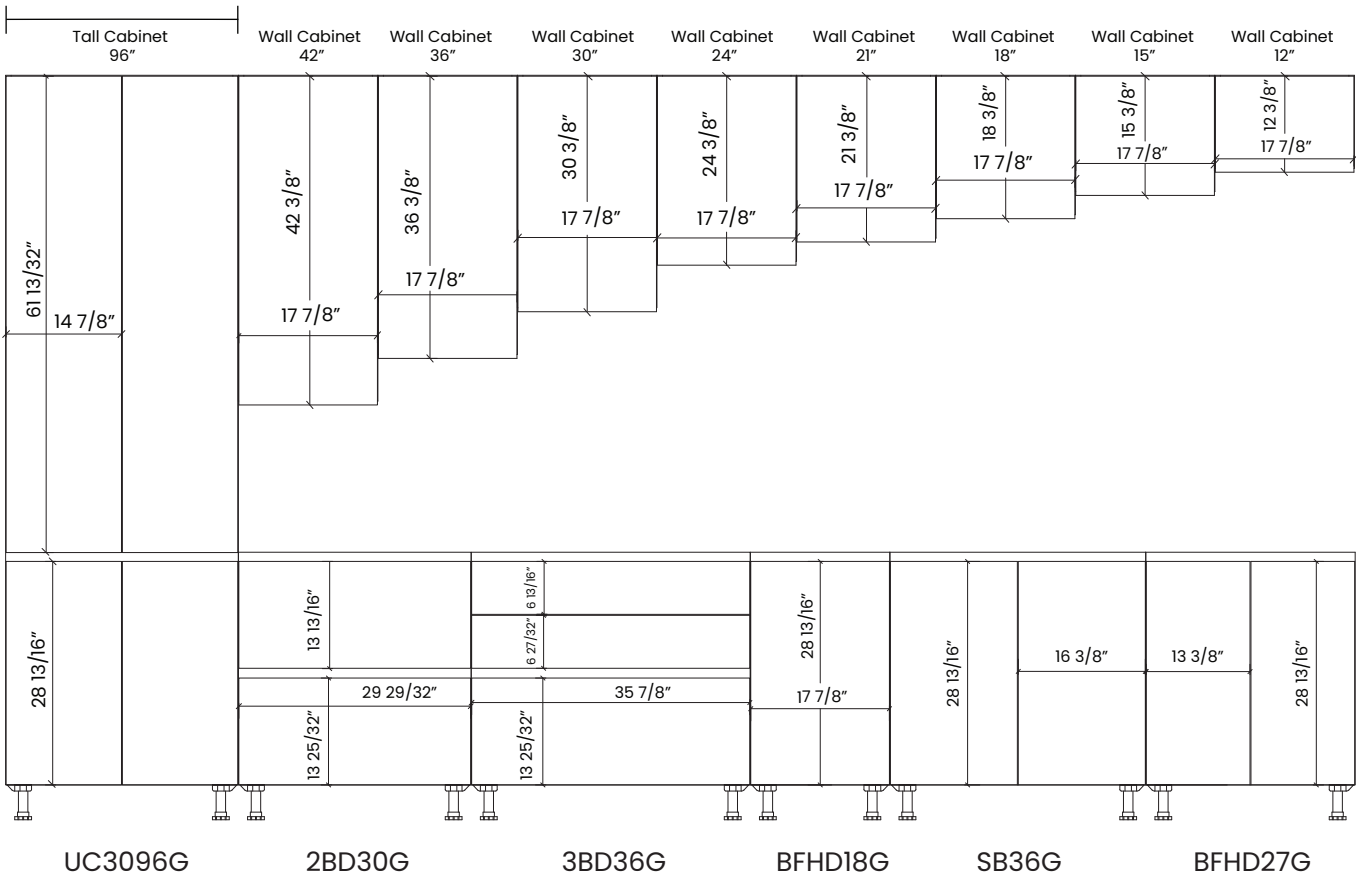

Hinges

- Soft close hinges with 6 way adjustment.

Legs

- Adjustable leg levelers for base and tall cabinets.

Wall Cabinets Introductory

Wall Cabinets

Efficiently utilize vertical space and keep your counter tops clear from clutter without the loss of luxury and refinement.

Cabinet Code Example

A wall cabinet that is 18" wide by 42" tall.

Code	Width	Height	Depth
W1842	18	42	13

SKU code is **W1842**.

Designer/Owner Recommendations

Consider the placement of wall cabinets to maximize functionality and aesthetics. Position them at a comfortable height for easy access and ensure they are evenly spaced for a balanced look.

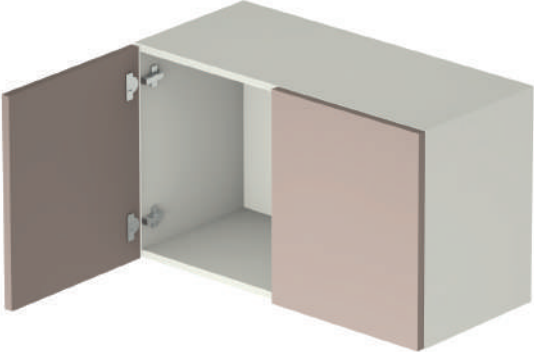

Regularly clean and maintain your framed wall cabinets to ensure they remain in optimal condition. Use a gentle cleaning solution and soft cloth to remove dust and debris, and avoid harsh chemicals or abrasive materials that could damage the finish,

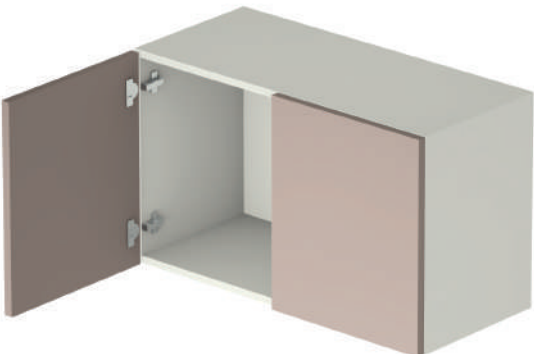

Installation Notes

Ensure that your wall cabinets are level and installed securely. Use appropriate hardware and mounting techniques to prevent sagging or shifting over time.

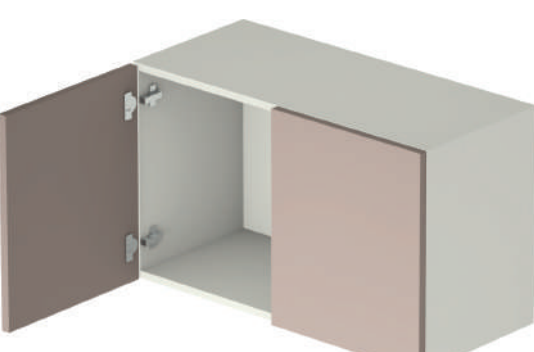

Utilize interior accessories such as adjustable shelves to optimize storage space and organization within the cabinets. This will help make the most of the available space and keep all items neatly organized.

BASE CABINETS

Base Cabinets Introductory

Base Cabinets

Choose from a wide range of base cabinets to suit your individual tastes and preferences.

Cabinet Code Example

A wall cabinet that is 6" wide by 34.5" tall.

Code	Width	Height	Depth
CAPBFHD6	6	34.5	24

SKU code is **CAPBFHD6**

Note that the standard height of a base cabinet is 34 1/2" and the standard depth is 23 3/4".

Designer/Owner Recommendations

Measure the space carefully and choose base cabinets that fit seamlessly into the layout. Consider the dimensions of the room, as well as any appliances or fixtures that the cabinets will need to accommodate.

Regularly clean and maintain your framed wall cabinets to ensure they remain in optimal condition. Use a gentle cleaning solution and soft cloth to remove dust and debris, and avoid harsh chemicals or abrasive materials that could damage the finish,

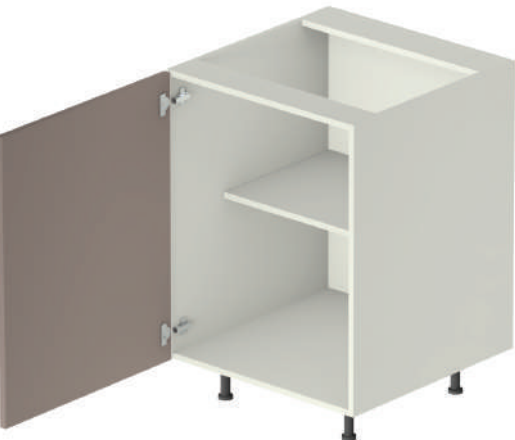

Installation Notes

Before installation carefully inspect inspect the construction of all cabinets. If a cabinet has a critical flaw be sure to set it aside and contact us for claim damage. Pictures will be requested of any cabinets with defects or faults and must be submitted before a claim can be filed into production.

Perform a final inspection to ensure that all base cabinets are installed properly for stability and functionality. Use appropriate mounting hardware for installation to prevent sagging or shifting over time.

Vanity Cabinets Introductory

Vanity Cabinets

Choose from a wide range of vanity cabinets and customize smaller spaces.

Cabinet Code Example

A vanity sink base cabinet at 24" wide by 31.5" tall and 21" deep.

Code	Width	Height	Depth
CAPVSB24	24	31.5	21

SKU code is **CAPVSB24**

Note that the standard height of a vanity cabinet is 34 1/2" and the standard depth is 21".

Designer/Owner Recommendations

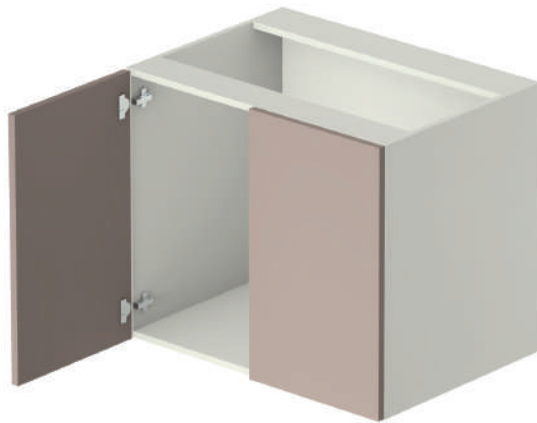

Ensure that any selection or combination of vanity cabinets are properly sized to fit within the install space while also accommodating plumbing fixtures. Adornus will not alter these cabinets for plumbing fixtures and any modifications for plumbing will need to be done on site via the installer / contractor.

Installation Notes

Before installation carefully inspect the construction of all cabinets. If a cabinet has a critical flaw be sure to set it aside and contact us for claim damage. Pictures will be requested of any cabinets with defects or faults and must be submitted before a claim can be filed into production.

ACCESSORIES

Accessory Introductory

Accessories, panels and Mouldings

Choose from a wide range of vanity cabinets and customize smaller spaces.

SKU Code

Accessories item SKUs will differ greatly depending on the type of item. It is important to review all measurements or notes per item ordered to ensure you are getting the correct item based on job needs.

Designer/Owner Recommendations

It's better to order extra than the exact amount in most cases as mistakes or adjustments will likely happen during the install. Ordering slightly more than projected will help to prevent delays with job completion. Adornus recommends ordering extra mouldings, fillers, or toe kicks.

Installation Notes

Before installation carefully inspect all accessory items. If an item has a critical flaw be sure to set it aside and contact us for claim damage. Pictures will be requested of any items with defects or faults and must be submitted before a claim can be filed into production.
