Metropolitan Series

Quick & On Time

The Metropolitan Series is crafted to meet the core needs of nearly any project. From kitchens to laundry rooms to office spaces, this collection offers frameless, modern, and practical cabinets ready fast.

Limited Lifetime Warranty

Adornus, LLC ("Adornus") extends the following lifetime limited warranty ("Limited Warranty") to the first residential purchaser ("Residential Purchaser") of any cabinet sold by Adornus (each, a "Product"). This Limited Warranty is only applicable to Products sold to the first Residential Purchaser and used in the applications described below within the United States. Residential Purchaser may not assign or transfer this Limited Warranty. Under this Limited Warranty, a "Residential Purchaser" means any of the following:

- A person who purchases and installs the Product in a dwelling that is owned and used by that person as his/her primary or secondary home; or
- Any person or business such as a builder, contractor or developer that purchases and installs the Product in a newly constructed or remodeled dwelling that will be used by the initial owner/purchaser of that dwelling as a primary or secondary home. In such situation, this Limited Warranty may be assigned to the initial owner/purchaser who uses the dwelling as a primary or secondary home, but may not be transferred or assigned to subsequent owners of the dwelling.

Under this Limited Warranty, a primary or secondary home does not include rental property. This Limited Warranty does not apply to landlords, leasing companies, or other commercial purchasers. Subject to the exclusions and limitations set forth in this Limited Warranty, Adornus warrants to Residential Purchaser that each Product will be free from defects in material and workmanship, under normal use and maintenance, for the applicable warranty period stated below. This Limited Warranty gives Residential Purchaser specific legal rights, and Residential Purchaser may have other rights which vary from State to State. This Limited Warranty for Residential Purchasers begins on the date the Product was purchased, whether purchased by the Residential Purchaser or by a third party on Residential Purchaser's behalf. This Limited Warranty is only valid if Residential Purchaser uses the dwelling as his/her primary or secondary home and does not extend to future owners if the property is sold.

THIS LIMITED WARRANTY IS ADORNUS' SOLE AND EXCLUSIVE WARRANTY WITH RESPECT TO THE PRODUCTS. ALL IMPLIED WARRANTIES ARE STRICTLY LIMITED TO THE DURATION OF THE LIMITED WARRANTY APPLICABLE TO THE PRODUCT AS STATED HEREIN, INCLUDING BUT NOT LIMITED TO, ANY WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT SHALL ADORNUS BE LIABLE TO THE RESIDENTIAL PURCHASER OR ANY THIRD PARTY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, DAMAGES ARISING FROM PERSONAL INJURY, LOST PROFITS, LOSS OF BUSINESS OPPORTUNITY, LOSS OF PROPERTY, ECONOMIC LOSSES, OR STATUTORY OR EXEMPLARY DAMAGES, WHETHER FROM NEGLIGENCE, WARRANTY, STRICT LIABILITY OR OTHERWISE.

Limited Lifetime Warranty

Exclusions

This Limited Warranty does not apply to any Product:

- Installed or used outdoors;
- Used for purposes for which it is not designed or intended by Adornus;
- That has been subjected to misuse, vandalism, abuse, negligence, accident, or unauthorized modifications;
- That has been improperly stored (if the Product must be stored, it should be covered and stored in a humidity and temperature-controlled environment, away from direct sunlight);
- That has been improperly installed, cleaned, or maintained (for more information regarding the proper use and care of the Product;
- That has been subjected to improper temperature, moisture and/or humidity extremes (temperature outside the range of 50–85°F (10–29°C) and humidity outside the range of 30–55% are considered extreme);
- Damaged by fire, flood, acts of God, or other external causes beyond Adornus’ control;
- Varying in color and characteristics due to age, sunlight, smoke, or other environmental conditions;
- Exhibiting any effects on the color and/or integrity of the finish or appearance due to the use of abrasive cleaners, cleaners that contain chlorine, acidic cleaners, scuffing sponges or steel wool; and/or
- Exhibiting normal wear and tear.

In addition, natural woods may vary in color and characteristics and exhibit subtle changes as they age. For example, painted doors, drawer fronts, and face frames may eventually have visible cracking around the joint area, and cabinet colors may darken or lighten over time. These variations are of the material in relation to their environmental exposure and are not covered under this Limited Warranty.

Sole and Exclusive Remedy

In the event of a defect in the workmanship or materials of a Product occurring during the Limited Warranty period described above, Adornus will, at its sole option, repair or replace any defective Product or Product component; provided, if it is not commercially feasible to repair or replace a defective Product or Product component, Adornus may refund the original price paid by Residential Purchaser for the defective Product or Product component, or provide a credit towards a similar type of product sold by Adornus. The foregoing, at Adornus’ option, are the Residential Purchaser’s sole and exclusive remedies for any Product defect or non-conformity. In addition, by way of example but not limitation, the following costs and expenses are not covered by this Limited Warranty:

Limited Lifetime Warranty

(1) labor costs for the original installation, removal, or reinstallation of the Product, or any defective part thereof; (2) labor costs or material charges for the removal, reinstallation, repainting, refinishing or replacement of any other items or building materials which must be removed, replaced, reinstalled, or refinished in order to repair or replace the defective Product or component. For example, costs associated with the following will not be reimbursed: counters, sinks, tiles, flooring, accessories, appliances or plumbing fixtures. When a claim for warpage, joint separation or wood growth is submitted, Adornus may, at its sole option and after inspection, defer action for up to twelve (12) months to allow the Product to acclimate to the installed environment. Further, Adornus reserves the right to modify or alter any Product design, specifications or materials without obligation to make similar changes to Products previously sold by Adornus. The repair or replacement remedies offered by Adornus under this Limited Warranty are contingent on the current Product offerings of styles and construction options within Adornus’ Product line at the time a warranty claim is made by Residential Purchaser. If a valid warranty claim is filed for an obsolete Product, Adornus reserves the right, at its sole option, to honor its repair or replacement obligations under this Limited Warranty by either: (1) replacing the affected Product or component with a new Product or component of the same or approximate style or color from Adornus’ current Product line or offerings; or (2) replacing the affected Product or component to achieve a uniform appearance with a similar or comparable product style or approximate color of the originally purchased Product style. If a Product or components are replaced or repaired, Adornus cannot guarantee an exact match with the finish or appearance of other products or fixtures installed at Residential Purchaser’s dwelling. This is due to changes that may occur during the Products’ natural aging process, which may affect its color and/or grain.

Limitation of Liability

Except as otherwise required by applicable law, the remedies described above are the Residential Purchaser’s sole and exclusive remedies and Adornus’ entire liability for any breach of this Limited Warranty. Adornus’ total liability shall under no circumstances exceed the actual amount paid by Residential Purchaser for the defective Product.

All potential claims hereunder must be submitted to Adornus, in writing, at the address below and must specify the defects present in the Products and/or Product components.

Policies and Procedures

Dealer Responsibilities

Dealer acknowledges and agrees that it is solely responsible for communicating all policies, product information, order details, installation instructions, delivery expectations, and claim procedures to its customers.

The company shall not communicate directly with the dealer’s customers. The company shall not be liable for any inaccurate, incomplete, or misleading information provided by the Dealer or its representatives.

Order Placement

Orders may be submitted by dealer using the company’s online portal, approved order forms, 2020 Design or ProKitchen SKU lists, or email through a designated customer service representative.

Orders submitted by telephone will not be accepted.

Dealer shall review and confirm all orders for accuracy, including but not limited to:

- Cabinet sizes and configurations
- Modifications and custom notes
- Finished ends and hinge directions
- Color, style, and material selections
- Quantities
- Shipping method

Once an order has been confirmed and approved by dealer, dealer assumes full responsibility for the accuracy and completeness of the order.

Changes, Cancellations, and Restocking Fees

Semi-custom, assembled, and modified orders shall not be changed, canceled, or returned after submission to production.

Stock (RTA) orders may be changed prior to release to the warehouse for fulfillment.

Orders that have been shipped or palletized shall incur a twenty-five percent (25%) restocking fee and the dealer shall be responsible for return freight costs, if applicable.

Non-returnable items include:

- Semi-custom (made to order) cabinets
- Modified cabinets
- Assembled cabinets
- RTA cabinets assembled by the dealer or end customer
- Special-order or custom-size cabinets

Policies and Procedures

Delivery and Pick Up

Dealer may select from the following delivery options:

(a) Pick up at an Adornus warehouse;	(d) Common carrier scheduled curbside delivery by company;
(b) Company truck curbside delivery;	(e) Common carrier scheduled by dealer.
(c) White-glove delivery for an additional fee;	

Rescheduled deliveries may incur a rescheduling fee.

Inspection and Claims

Dealer or its designated representative shall inspect all shipments immediately upon receipt.

Dealer shall verify and sign for both piece count and pallet count.

Claims for unconcealed damages or shortages must be noted on the bill of lading at the time of delivery and reported to the Adornus immediately. Claims without proper documentation may be rejected.

Claims for concealed damage must be reported within 7 business days of delivery via email to receptiondesk@adornus.com, including photos, order number, item numbers, and detailed description.

Claims for concealed damages must be reported prior to installation via email to receptiondesk@adornus.com, including photos, order number, item numbers, and detailed description.

Product Warranty

Please refer to the Adornus official product warranty policy form.

Dealer Conduct and Compliance

Dealer agrees to:

• Provide accurate information to customers	• Maintain all account terms in good standing
• Represent Adornus products professionally	• Adhere to all policies and procedures outlined in this agreement

Non-compliance may result in suspension or termination of Dealer privileges.

METROPOLITAN SERIES

Elevating the Metropolitan

The Metropolitan Series combines essential functionality with modern style, making it ideal for kitchens and laundry areas. This Cabinet line ensures you get quality cabinets without long waiting periods. Designed to keep projects moving efficiently, it delivers reliability without sacrificing aesthetics.

Quick and On-Time

- Ensures fast production and delivery to keep your projects moving smoothly.
- Designed to meet tight timelines without compromising quality.
- Reliable scheduling that guarantees your cabinets arrive exactly when needed.

Shaker

Metropolitan Series

Doors and Drawer Fronts

Our Metropolitan Series features a five piece MDF door and drawer front. MDF doors and drawer fronts are ideal for painted cabinetry. Painted MDF doors and drawers resist natural expansion and contraction that sometimes occur in solid wood doors from moisture and temperature changes within a natural environment.

Frames

Cabinet face frames are 3/4” solid hardwood with 1 1/2” wide stiles and rails glued using domino tenon joinery.

Case Construction and Interiors

1/2” plywood is standard and interiors will be UV Birch veneer. Matching color exterior is offered as a standard.

Back

Cabinet backs are ½” plywood with interior UV Birch veneer. The back is attached to the cabinet sides using the rabbet joinery method.

Plywood I-Beams

Two 2½ x ½ plywood beams grooved into the side and back panels for strength and stability. I-beams are essential to creating a sturdier box.

Shelves and Supports

Ajustable shelves are 3/4” UV Birch veneer plywood, front edge banded. Base cabinets have an 18” deep shelf. Wall cabinets have an 11” deep shelf. The shelf supports are nickel-plated steel pegs in 5mm holes, adjustable in 32mm increments.

Metropolitan Series

Drawers

Drawers are 5/8” solid wood sides, dovetailed front and back with a 1/4” birch veneer panel captured bottom.

Toe Space

Toe space is 1/2” plywood (matching front face) 4 1/2” high and 3 1/4”. 1/4 matching finished toe kick board is available as an accessory.

Build Information

Cabinet Construction

The Metropolitan Series is designed for versatility and everyday functionality. Perfect for kitchens, closets, laundry spaces, or work areas, it offers modern, dependable cabinetry with quick turnaround times.

- 1

MDF 5-piece door and drawer front.
- 2

Soft close, six-way adjustable hinges.
- 3

5/8" solid wood dovetailed drawer with 3/8" plywood bottom. Full extension soft close concealed drawer runners.
- 4

3/4" x 11/2" solid hardwood frame.
- 5

1/2" birch veneered plywood back with a natural finished interior.
- 6

1/2" birch veneered side panels with a natural finished interior.
- 7

3/4" birch veneered plywood adjustable shelves with a natural finish.
- 8

1/2" x 4 1/2" birch veneered plywood finished to match exterior finish.
- 9

2 1/2" x 1/2" plywood panel beams grooved into the side panels for strength and stability.
- 10

Base cabinet has 18" deep shelves.

Wall Cabinets Introduction

Wall Cabinets

Efficiently utilize vertical space and keep your counter tops clear from clutter without the loss of luxury and refinement.

Cabinet Code Example

A wall cabinet that is 18" wide by 42" tall.

Code	Width	Height	Depth
W1842	18	42	12

SKU code is **W1842**.

Designer/Owner Recommendations

Consider the placement of wall cabinets to maximize functionality and aesthetics. Position them at a comfortable height for easy access and ensure they are evenly spaced for a balanced look.

Regularly clean and maintain your framed wall cabinets to ensure they remain in optimal condition. Use a gentle cleaning solution and soft cloth to remove dust and debris and avoid harsh chemicals or abrasive materials that could damage the finish.

Installation Notes

Ensure that your wall cabinets are level and installed securely. Use appropriate hardware and mounting techniques to prevent sagging or shifting over time.

Utilize interior accessories such as adjustable shelves to optimize storage space and organization within the cabinets. This will help make the most of the available space and keep all items neatly organized.

BASE CABINETS

Base Cabinets Introduction

Base Cabinets
Choose from a wide range of base cabinets to suit your individual tastes and preferences.

Cabinet Code Example
A base cabinet that is 21" wide by 34 1/2" tall.

Code	Width	Height	Depth
B21	21	34 1/2	24

SKU code is **B21**.

Note that the standard height of a base cabinet is 34 1/2" and the standard depth is 23 3/4".

Designer/Owner Recommendations

Measure the space carefully and choose base cabinets that fit seamlessly into the layout. Consider the dimensions of the room, as well as any appliances or fixtures that the cabinets will need to accommodate.

Regularly clean and maintain your framed wall cabinets to ensure they remain in optimal condition. Use a gentle cleaning solution and soft cloth to remove dust and debris, and avoid harsh chemicals or abrasive materials that could damage the finish,

Installation Notes

Before installation, carefully inspect all cabinets. If a cabinet has a critical flaw be sure to set it aside and contact us to claim damage. Pictures will be requested of any cabinets with defects or faults and must be submitted before a claim can be filed into production.

Perform a final inspection to ensure that all base cabinets are installed properly for stability and functionality. Use appropriate mounting hardware for installation to prevent sagging or shifting over time.

VANITY CABINETS

Vanity Cabinets Introduction

Vanity Cabinets

Choose from a wide range of vanity cabinets and customize smaller spaces.

Cabinet Code Example

A vanity sink base cabinet at 30" wide by 34 1/2" tall and 21" deep.

Code	Width	Height	Depth
VSB30	30	34 1/2	21

SKU code is **VSB30**

Note that the standard height of a vanity cabinet is 34 1/2" and the standard depth is 21".

Designer/Owner Recommendations

Ensure that any selection or combination of vanity cabinets are properly sized to fit within the install space while also accommodating plumbing fixtures. Adornus will not alter these cabinets for plumbing fixtures and any modifications for plumbing will need to be done on site via the installer.

Installation Notes

Before installation, carefully inspect the cabinets. If a cabinet has a critical flaw be sure to set it aside and contact us to claim damage. Pictures will be requested of any cabinets with defects or faults and must be submitted before a claim can be filed into production.

Vanity Cabinets

ACCESSORIES

Accessory Introduction

Accessories, Panels and Mouldings

Enhance your design with coordinated accessories, panels, and mouldings.

SKU Code

Accessories item SKUs will differ greatly depending on the type of item. It is important to review all measurements or notes per item ordered to ensure you are getting the correct item based on job needs.

Designer/Owner Recommendations

It's better to order extra than the exact amount in most cases as mistakes or adjustments will likely happen during the install. Ordering slightly more than projected will help to prevent delays with job completion. Adornus recommends ordering extra mouldings, fillers, or toe kicks.

Installation Notes

Before installation carefully inspect all accessory items. If an item has a critical flaw be sure to set it aside and contact us for claim damage. Pictures will be requested of any items with defects or faults and must be submitted before a claim can be filed into production.

Cabinet Accessories

	Pull Out Tray					
	Code	Description	Width	Height	Depth	Price
